Message for Dental Journal of IGIMS.

It is with immense pride and happiness that I extend my heartfelt congratulations to the entire team behind the 'Dental Journal of Indira Gandhi Institute of Medical Sciences'. The stride they have taken, including the establishment of a dedicated website and a fruitful collaboration with Scientific Scholar, stands as a testament to their unwavering commitment to advancing dental research.

I am particularly pleased to acknowledge the exceptional efforts of the Editorial Chairman and Editor-in-Chief. Their dedication and expertise have propelled the journal to new heights within the dental community. I also appreciate all the members of the Editorial/Journal committee/Advisory and Reviewer board for their contribution to the progress of this journal.

I extend my warmest greetings!
